

**PREBOND ASSISTANCE  
HEATH CITY SCHOOLS  
HEATH, OH  
PROJECT NO. 217061.00**

October 10, 2018

**FACILITIES PLANNING COMMITTEE  
GROUP DISCUSSION**

Discuss in your group the topic of Heath High School, and document your discussions below:

- High School Facility needs
  - What are we teaching kids?
  - Security – verify
  - Technology
  - Space/flexibility to add
  - College level/electives to engage students
  - Roof? Infrastructure
  - Space for student hall (currently go to HMS)
  - Need updated furniture
    - Furnishing worn
    - Teaching/learning styles have changed
  - Auxiliary gym – air
  - External access to locker rooms
  - Lecture hall
  - Need some meeting spaces
  - Track
  - Field
  - Turf?
  - Asphalt repair
  - Roof repairs
  - New desks/furniture
  - Collaborative learning spaces
  - Auditorium seating repairs
  - Increased access to technology
  - Building an outside field house
  - Nothing
  - Roof is being fixed now (but likely, more sections need repaired)
  - Roof leaks
  - Another entrance/exit (traffic congestion)
  - Upgrades in HVAC
  - Limited space – no extra classrooms
  - Upgrading lighting
  - Security upgrades
  - Gym sound system
  - Reconfigure space
  - Security cameras
  - Rekey rooms/doors/keyless entry
  - Security glass
  - No heat in the industrial arts area
  - Energy efficient lighting
  - Outdoor lighting (?)

**FACILITIES PLANNING COMMITTEE**  
**GROUP DISCUSSION**
